

Introduction

Overview

The Managers' Guide is a user manual for managing the web content and functionality of a HUB. It progresses step-by-step through various common tasks and familiarizes the manager with the administrative back-end interface. Managers will learn how to accomplish tasks such as:

- Install new modules/widgets/plugins/templates
- Manage (add/edit/delete) site members
- Manage site settings
- Handle support tickets
- And more ...

We strongly recommend reviewing [Joomla!'s Documentation](#) for further help on topics that may not be covered here.

How To Use The Guide

The guide is grouped by Subject, then Chapters within a subject, then Sections within Chapters.
