

The HubZero logo is centered in the upper half of the image. It features the word "hubzero" in a lowercase, sans-serif font. The "hub" portion is rendered in a vibrant green color, while the "zero" portion is in white. The background of the entire slide is a dark grey-blue, overlaid with a complex network of thin white lines and small dots, creating a globe-like or molecular structure. A large, faint circular outline is also visible behind the text.

2019 Roadmap

1. Tools
 - a. Tools 2.0 - simpler pipeline
 - b. Next version of Jupyter – jupyterhub
 - c. Subversion to Git for tools
 - d. Experiment with MatLab web-based integration
 - i. Offering a pilot test for a class of 30 students
 - e. Docker container technology and get away from OpenVZ
2. Publications
 - a. UI/UX overhaul of Publications workflow
 - b. Merge Resources into Publications for hosted hubs (purely a data move, not a feature change)
 - c. Add in tool pipeline, so tools can be published through Publications
3. General CMS
 - a. 2.3 tentative target release for summer 2019
 - b. Series of integrations most desired by community

Community space & future meetings

1. Creating a space for community members to hold discussions, collaborate, and ask questions
 - a. Is this something most would like?
 - b. What is the goal of having this space?
2. Future HUBzero Community Meetings
 - a. What will they look like?
 - b. What is the goal?
