

Archiving

Archiving an Article

Archiving is useful if you publish a lot of articles and which you still want to be published on the site, but have been displaced in priority by new ones.

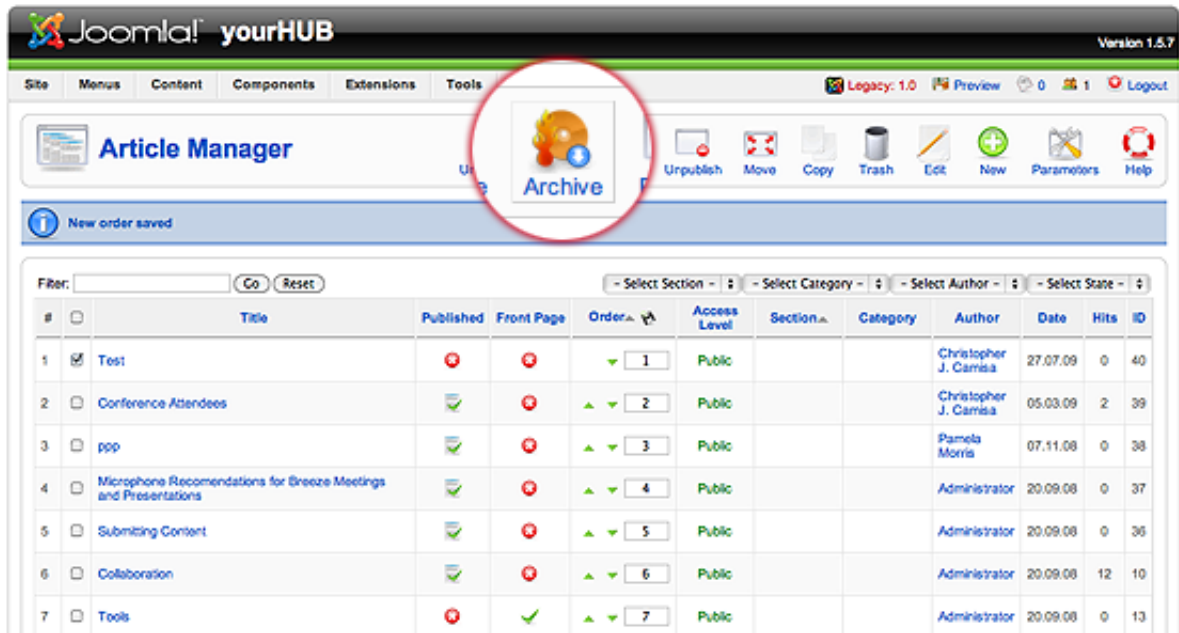

1. Login to the Joomla! Administrator Back-end.
2. Go to "Content" ? "Article Manger" on the toolbar menu.
3. Check the box next to the article you want to archive.

The screenshot shows the Joomla! Administrator Back-end interface for the 'yourHUB' site, Version 1.5.7. The 'Article Manager' toolbar is visible, with the 'Archive' button highlighted. The article list table below shows the following data:

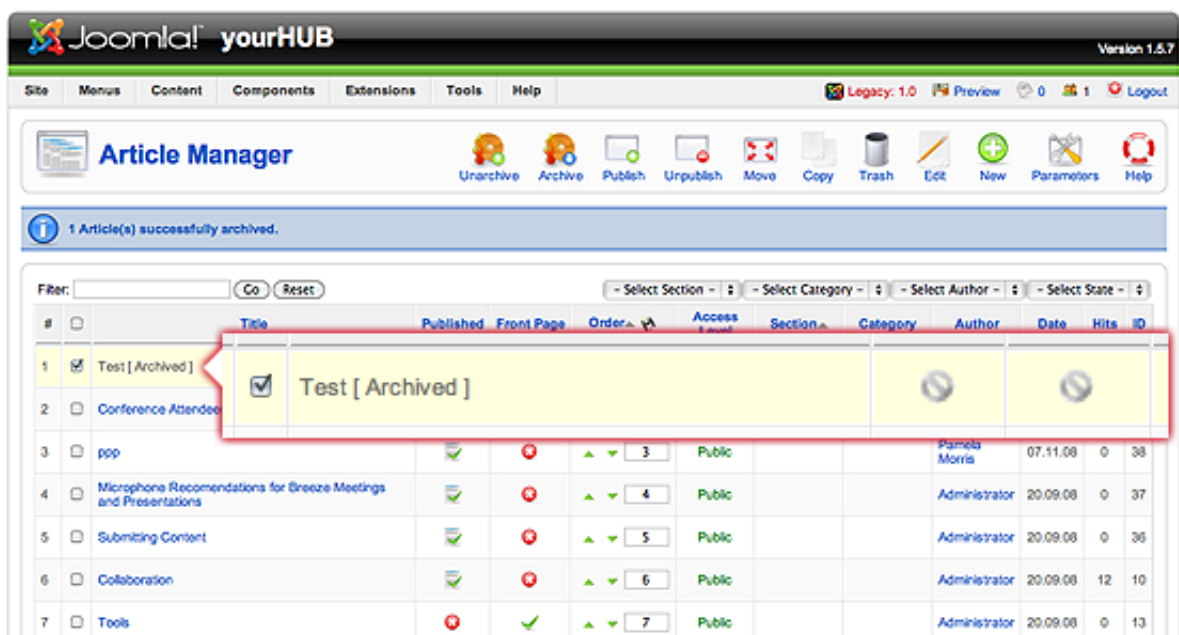

#	<input type="checkbox"/>	Title	Published	Front Page	Order	Access Level	Section	Category	Author	Date	Hits	ID
1	<input checked="" type="checkbox"/>	Test	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	1	Public			Administrator	07.07.09	0	40
