Introduction

Overview

The Managers' Guide is a user manual for managing the web content and functionality of a HUB. It progresses step-by-step through various common tasks and familiarizes the manager with the administrative back-end interface. Managers will learn how to accomplish tasks such as:

- Install new modules/widgets/plugins/templates
- Manage (add/edit/delete) site members
- Manage site settings
- Handle support tickets
- And more ...

We strongly recommend reviewing Joomla!'s Documentation for further help on topics that may not be covered here.

How To Use The Guide

The guide is grouped by Subject, then Chapters within a subject, then Sections within Chapters.
