

Member Functions

Inviting Users

Group managers can invite both hub users and unregistered users to join their group.

1. From the **My Groups** section on your **my HUB** page, select the group.
2. Click **Show Manager Controls** and click **Invite Members**.

3. Type in the name of the user you would like to invite (notice that the auto completer assists in finding users) or the email address of the person.
4. You may include a message with your invitation in appropriate box.
5. Click **Invite** and they will receive the invite in their email.
6. Verify that the invitation have been sent to the correct people.

Assigning Group Member Roles

1. Go to the main group page and click on the **Members** tab at the left side.
2. Click **Add a New Member Role** button to create a new membership role.

3. Add a role title in the text box and check the boxes next to the permissions that you want to have the new role to have, then click **Save**.

4. Click on the **Assign Role** link and in the pop-up change the membership status in the drop-down.

5. Click **Assign Role** to save the new membership role.

Promoting/Demoting a Group Member to Group Manager

Groups can have multiple managers. As a group manager, you can promote other group members or demote other managers depending on the level of permissions they need in order to provide for the group.

MEMBER FUNCTIONS

1. Go to the main group page and click on the **Members** tab on the left side.
2. Locate the member and find the arrow button to the right of the member's name.
3. The arrow will point up if the member is a regular group member and the arrow will point down if the user is a group manager.

1. To Promote a Group Member: Click the arrow button that is pointing up:

2. To Demote a Group Manager: Click the arrow button pointing down:

4. These changes in status will be automatically saved.
