

HUBzero Community Meetings

HUBzero Community Meetings

Quarterly meetings with no-hassle hub owners, foundation members, open-source attendees, and other stakeholders. During these meetings the HUBzero team shares updates regarding the development roadmap, platform features, HUBzero services, and related opportunities. Announcements and join information for these meetings can be found at [HUBzero - Events](#).
Subscribe to our monthly newsletter to receive email reminders for scheduled meetings at [HUBzero - Newsletter](#).
