Editing the Main Menu

Go to Menus -> Main Menu

That takes you to Menu Item Manager: mainmenu

If you want to add a menu item, click New.

In Menu Item: New

If you want to link to an article (i.e. a web page in the hub)

click Articles->Article->Article Layout

Then on the upper right you will be able to select an article, click the Select button.

If you know the name of the article, type it into the Filter. Otherwise click Reset to see all the articles.

Click the article name you want.

Then, on the left type in a Title. The title will be the menu label for the article so you don't want it to be too long.

Click Save. This will take you back to Menu Item Manager: mainmenu

Make sure that there is a green check mark under **published** for your article.
