1. Login to yourHUB's back-end with the username and password of a 'Super Administrator'.

2. When the 'Control Panel' appears, hover the mouse over 'Site' in the horizontal menu across the top of the screen; a drop-down menu appears.

3. Press the mouse over 'User Manager' on the drop-down menu, the 'User Manager' appears.

...find the login or email address for a registered user?
